PRACTICAL RECOMMENDATIONS

IN CASE OF AN EARTHQUAKE

Wait calmly for the instructions of the person in charge of the class or activity

Move away from Windows and glass panels

Take shelter next to solid walls, pillars or under door frames

Do not leave the building until the movement stops

Move away from objects and structures that may fall off the Wall or collapse

If you need light, use a flashlight or light from your cellphone. Do not use matches, lighters or candles (Gas explosión risk)

Do not leave a safe place until the movement stops

IN CASE OF A FIRE

Act calmly, do not panic and call the emergency center (dial 4222 from a landline 32-2654222 from a cellphone)

Use a fire extinguisher only if you know how

If you are isolated due to the fire, close the doors and cover the spaces to keeps smoke from entering

Exterior Windows should be opened completely to ley oxigen in if you are surrounded by smoke, get down with your face close to the floor

As you are evacuating the premises, check door before opening it. If it is hot or if smoke is coming throught it, do not open

Do not return to the fire under any circumstances

Do not use the elevators

IN CASE OF EXPLOSION OR GUNFIRE

Act calmly and do not panic

Get away from the place where the event is taking place

Look for barriers (ex: walls) to avoid the blast and setp away from Windows

Pay attention to instrutions given by authorities

If you hear a blast or gunshot, lie down on the floor immediately; look for a corner and remain there until receiving further instrutions

From a landline, dial 4222 to notify your location and condition or from a cellphone dial 32-2654222
